Thanks for your nice note! I'm going to miss you! Let's keep in touch even if it's a quick visit here and there during the holidays or summers. My mom still asks how you are doing - she's so proud of you! Take care and don't forget me!

Thanks for the advice. I hate to hear that you are leaving but I'm sure this is for the best. Thank you for everything that you have done for me and my family. I feel like I have such a long way to go but I know that if it wasn't for the favor of God and you and your moms faith in me I wouldn't be where I am today. I wish you well and I hope you will keep in touch. Thank you again.

If you have a job - my suggestion is to stay put. There are hundreds of people in redeployment right now. It is very hard to find a job. I don't know if you've heard, but I'm leaving on September 15th. Ken is leaving Enron and I'm going to stay home with Drake - I'm going to be poor, but that's ok!

Good Morning -

Hope your are doing well in all this rainy weather. I wanted to ask you a question and your opinion of the odds of me being placed if I go into the redeployment program? I got my review back and it is much better than it has been in a long time. I guess I am just concerned that if I don't make a move now, year end might not be as favorable for me. Rumor has it that the other clerk that I work with has found another job and will be leaving on the 14th of Sept. I have been caught in such a vicious cycle so long that I just don't know what else to do. If you have time call me or email me. I just want to know what you think.

As the November elections approach, I encourage everyone to exercise your right to be heard and to make a difference through your vote. To do so, you'll need to have a valid voter's registration. If you do need to register, please visit your county's website or call your county election officials to learn the procedures and timing.

For Houston-based employees: The deadline for voter registration in Texas is October 9. Voter registration forms are available at the InfoZone in the lobby, but if you choose to mail your form please allow enough time for the postal service to deliver your form. See the following list if you need to obtain election information pertaining to Harris and surrounding counties. As the election date nears, Harris county voters' guides will be available at the InfoZone in the lobby.

Good Morning Dana,

Needless to say, I wasn't here on that Thursday when you were trying to contact me. I do hope that things worked out with them getting in touch with each other. That day was a very busy day to say the least, but now it's back to reality.

But for future references, if I can not be reached here at work or home and there's a need to contact the Pastor, I can be paged 2 ways. A text message can be sent by email stating your case with a very brief message and the address you would need to use would be 7136066605@MOBCOMINET.

If you need to page me with just a phone number, I can be reached at 713-606-6605. So next time, please feel free to use the information listed above. Be blessed on today and Happy Holiday's to you and yours.

Edith:-) ----- Forwarded by Edith L. Kelly/SS/HouInd on 12/26/2000 11:05 AM -----

Effective March 1, 2001 Enron North America (CO 0413) employees will begin using XMS (Expense Management System) to process employee expense reimbursements.

XMS is a web based employee expense reimbursement system which will provide the following benefits;

? More timely reimbursements to employees ? User friendly Web access ? Ability for employee or designated administrative assistant to submit expense reimbursement ? Greater efficiency and lower cost ? Efficiently integrated with the current SAP accounting system

This system will REPLACE our current manual expense reimbursement process. All employee expense reimbursements for ENA employees submitted after March 1, 2001 should be done via XMS.

Following are details regarding system access, training and support.

To access the system go to the Enron Home Page and type <http://xms.enron.com> in the address field.

LOGON ID Enter your personnel number (P number). HR information is loaded automatically into XMS, but an incomplete load may mean that some people's IDs are not updated. If your P number doesn't work, try using your first initial and last name (lower case). If you can't log in to the system, go to the IT Central web page from the Enron home page and select Services>Security Requests>eRequest or call (713) 853-5536.

PASSWORD The first time you log in, the password is upper case ENRON. The system will guide you through confirming your personal information and changing your password. The Enron Code of Ethics prohibits the sharing of passwords and logging on as another person. Please observe Enron's policy. If you have forgotten your password, call the Resolution Center at (713) 853-1411.

TRAINING Go to the IT Central web page. Select Services>Training. Click on "Schedules" in the North America column, and go to the XMS Workshop schedule to choose your class. If no classes are listed, call the training department and place your request at (713) 853-1816. Those in outlying locations and those who prefer on-line training can use LEAP by signing on to [isc.enron.com](http://isc.enron.com) and clicking on "training and education," then LEAP (shown as a link). Use xms (lower case) as the User ID and Password.

DOCUMENTATION Step by Step documentation is also available from IT Central web page. Select Services>Training. Click on "Documentation" in the North America column and choose XMS User's Guide from the list.

APPLICATION SUPPORT SERVICES Call the ISC help desk at (713) 345-4SAP (4727). Do not call Accounts Payable with questions about how to use the system or with issues regarding electronic pre-populated data.

**iBuyit eProcurement Update #1 - Delivery Addresses, IT Standard**

**eProcurement**

With one week behind us and many Shopping Carts processed for IT hardware and office supplies, iBuyit wants to share what we've learned from your feedback and provide you specific information to help you maximize eProcurement. This first update covers delivery addresses, IT standard hardware templates, and office supplies. Over the next several weeks, iBuyit will continue to provide you updates on a regular basis.

**How to Make Sure You Receive Your Purchase Request!** Before you begin to shop, verify that your Delivery Address information is correct under Default Settings for Items. Why? If no delivery address is entered, you or the intended recipient will experience a delay in receiving your order. \* Click on the ? button to search for street address information. \* Use the c/o field to enter the name of the intended recipient. \* Update My Settings from the main eProcurement screen to set up Building, Room, and Extension information that will automatically default to your Default Address. Locate additional details in Section II of the Requestor Quick Reference Card.

**IT Standard Hardware Templates** \* The iBuyit Catalog team is aggressively working to resolve the duplication of IT Standard Templates names appearing under the Table of Contents tab. All of the template links are working. Thank you for your patience. \* Use the standard templates to order common workstations (desktops and laptops), and click Select All. Why? Net Works has bundled all necessary components for each common workstation. If you don't select all, you will receive only a partial setup.

**Office Supplies** \* Use the Catalog to select office supplies. Why? Purchasing will reject all office supply requests entered as non-catalog items. If you are unable to locate an office supply item, contact the iBuyit Catalog team to add the item or use an alternative method to purchase the item. \* Create separate Shopping Carts for office supplies and IT hardware items. Why? The processing of office supply requests will be delayed if combined with IT hardware. All carts containing IT hardware items are routed to Purchasing for final review before processing. \* Corporate Express and Lee are committed to next day delivery. However, if you have questions about your order, contact the appropriate vendor and provide either the Company Number and Cost Assignment or the Purchase Order Number: - Corporate Express at 713-853-6294 - David Yee or Faye Hopkins at Lee Stationery and Office Supply Co at 713-227-1201

**Summer Tip:** Please remind your Approver to establish a Substitute before they are away from the office for an extended period. You can locate instructions on the Approver Quick Reference Card.

**Need Training?** \* Visit the ISC Education Center to sign-up for system demonstrations and/or hands-on classroom training, and to access on-line training: <<http://iscedcenter.enron.com>> \* Visit the ISC Document Library for Quick Reference Cards and other helpful training materials: <<http://isc.enron.com/site/doclibrary/user/default.asp>>

**Did You Receive Your eProcurement Welcome Packet?** An eProcurement Welcome Packet, which includes Spend/Approval Limits, Whom to Contact for Help, and Quick Reference Cards, was sent to all identified users. If you have not received a packet, please e-mail iBuyit.

**Questions?** \* For help using eProcurement, contact Integrated Solutions Center Customer Care at 713-345-4727. \* For general information about iBuyit, send an e-mail to <<mailto:ibuyit@enron.com>>.

If you wish to have your name removed from this distribution list, please reply to this e-mail message.
