Several Enron Bowling Association members were unable to participate in the Special Olympics Bowl-A-Thon on Saturday November 17, 2001. Your support is imporant to the success of the atheletes.

The purpose of the Bowl-A-Thon was to raise funds for the Atheletes with Mental Retardation to compete in year-round sports and training that will enable them to develop not only physically but emotionally and socially.

Dennis Lee has received 100 T-shirts (sizes ranging from L to XXXL) to sell for a \$25 donation to continue raising funds for Special Olympics. We are asking each EBA member to sell 3 to 5 shirts.

Please pick up T-Shirts from Dennis Lee EB3982 ext. 31715

We appreciate your support especially during these uncertain times.

Play Toys + Imagination = Hours of Fun

Our play toys nurture creative spirits.

Remember what it was like to be a kid? You just couldn't grow up fast enough. Things haven't changed--your kids love to pretend they're just like you. In fact, chances are they're already imitating the things you do around the house. Playing with Dad's tools and dressing up in Mom's clothes are all a natural part of growing up.

The best toys for imaginative play are ones that encourage kids to try out these new roles in a way that's safe and fun. Our Workbench Desk and Tool Kit let children pretend to fix things, and a Vanity Table and Makeup Kit make it fun to dress up for that special tea party.

File	kuykendall-t/notes_inbox/26.

With ECS (Enron Center South) rapidly approaching completion, Enron is forced to change the numbering scheme on the existing Stentofon system. To increase our capacity to support this expansion, we must increase the number of valid Stentofon address numbers. Enron currently uses 100, 200, 300, 400, 500, 600 and 900 series numbers for the addresses. In order to add more addresses to the system, Enron will be converting the dial plan from a three digit dialing system to a four digit dialing scheme on the Stentofon system. This conversion is scheduled to occur on the weekend of May 18th.

In efforts to minimize confusion, we will convert all Stentofon addresses in EB1 to a 4000 series number. (i.e. If your Stento number was 364, then your new number will be 4364.) We will also change all speed dials to reflect the new dialing scheme. Please instruct the users within your group of this change.

Thank you for your understanding and cooperation.

Probably best to just give her a card and then drop it off for her. No need to lug something that heavy upstairs.

I bought Jennifer's gift last week -- I ended up getting them a stroller since what we originally picked out had already been purchased.

I wanted to get your opinion on something -- the stroller box is pretty big and heavy. I'm not sure how much luck I would have getting it up to the second story of Susan's house, so what I was thinking was that we could give her a card which says what we got her and either leave the actual gift downstairs at Susan's house during the shower or in the back of my Jeep and I could drop it off at Ed & Jennifer's house after the shower. Also, if we go with the card idea, do you think I should still wrap the stroller box?

Let me know what you think. I'll be at work today until 4:30. I'm taking off tomorrow so if you need to get in touch with me tomorrow, just call me at home and leave a message if I'm not there (713-721-7101).

See you Saturday!!!

PLEASE READ:

There is only 1 week left before moving into the new building. There are two shredco containers located at EB3206E and in the freight elevator for documents that need shredding. Also there will be a couple of large trash containers located on the 32nd floor today 11/2/01 and next Friday 11/9/01. Please start the cleanup process.

Remember:

1. You can only move 6 boxes per person plus equipment 2. Take home all IPAQ'S, Blackberry's, Palm Pilots and Laptops Friday 11/9/01 so that nothing is misplaced 3. If you have a cellular phone charger on your desk....don't forget to pack 4. Clean out all Voicemails by 5:00 PM on Friday 11/9/01 5. The new Enron Building will be closed to all until 5:00 AM on Monday Morning. If you try to come up here, you will not be allowed in the building. 6. Please give your User ID and Password to your assistant so she/he can make sure that everything is up and running for you on Monday morning. 7. If you have a headset, please pack it. They will not be installed until Monday morning. 8. Since there are no amtels moving, please be sure you have MSN messenger installed in your computer because this is what your assistant will use to give you your messages. If you do not have it, your assistant can help you install it. 9. Please label your PC, Boxes (on the ends), and cradles, scanners, etc. You will have a new mouse and keyboard in the new building and your monitors will have speakers on them so you don't have
