Q: How do I account for real estate investments in my portfolio?

A: You should include your real estate investments in the Financial Engines Investment Advisor service only if they now or will some day generate income that you invest towards your retirement or if you plan to sell your real estate at some point.

To include the investments you make from rental property income from now until your retirement: Click the Personal info tab, and then click Investments. Click the account and fund/stock in which you invest your rental income. The service assumes that all of these investments continue until the age you selected as your retirement age. If this income will continue in retirement, please follow the steps I explain below.

To include rental income in retirement: Click the Personal info tab, and then click Benefits. In the Retirement benefits area, click Add benefit and fill in the appropriate information.

To include the liquidation of real estate in the future during your retirement: Click the Personal info tab, and then click Benefits. In the Retirement benefits area, click Add benefit and fill in the appropriate information. Be sure to select one time payment for the Duration.

Word of the Day for Thursday March 21, 2002:

logorrhea \law-guh-REE-uh\, noun: Excessive talkativeness or wordiness.

By his own measure, he is a man of many contradictions, beginning with the fact that he is famous as a listener but suffers from "a touch of logorrhea." He is so [1]volute that one wonders how his subjects get a word in edgewise. --Mel Gussow, "Listener, Talker, Now Literary Lion: It's Official." [2]New York Times, June 17, 1997

It's also not good if your date has logorrhea. --Monte Williams, "8 Minutes in the Life of a Jewish Single: Not Attracted? Next!" [3]New York Times, March 5, 2000

Mr. King, who possesses an enviable superabundance of imagination, suffers from a less enviable logorrhea. --Michele Slung, "Scare Tactics." [4]New York Times, May 10, 1981

Logorrhea is derived from Greek logos, "word" + rhein, "to flow."

Word of the Day for Sunday March 3, 2002:

celerity \suh-LAIR-uh-tee\, noun: Rapidity of motion or action; quickness; swiftness.

Though not in the best of physical form, he was capable of moving with celerity. --Malachy McCourt, [1]A Monk Swimming: A Memoir

Furthermore, as is well known, computer technology grows obsolete with amazing celerity. --Alan S. Blinder and Richard E. Quandt, "The Computer and the Economy," [2]The Atlantic, December 1997

The lightning celerity of his thought processes took you on a kind of helter-skelter ride of surreal non-sequiturs, sudden accesses of emotion and ribald asides, made all the more bizarre for being uttered in those honeyed tones by the impeccably elegant gent before you. --"A life full of frolics," [3]The Guardian, May 19, 2001

Celerity is from Latin celeritas, from celer, "swift." It is related to accelerate.

quondam \KWAHN-duhm; KWAHN-dam\, adjective: Having been formerly; former; sometime.

There was an exception to this in the form of Mrs Edna Parsons, a formidable Englishwoman who had once been the Prince's nanny and now served as proctor, supervising his behaviour. She was about fifty and true to her quondam profession, she could be quite strict. --David Freeman, [4]One of Us

Quondam comes from the Latin quondam, "formerly," from quom, "when."

Word of the Day for Saturday April 6, 2002:

demagogue \DEM-uh-gog\, noun: 1. A leader who obtains power by means of impassioned appeals to the emotions and prejudices of the populace. 2. A leader of the common people in ancient times.

This was to have held a sculpture of a Roman charioteer driving four horses, but the work was never completed, leaving behind what looks like a diving board or a futurist balcony, ideally suited for a demagogue exhorting a throng below.

--Michael Z. Wise, "A Fascist Utopia Adapted for Today," [1]New York Times, July 11, 1999

A consummate demagogue, McCarthy played upon cold war emotions and made charges so fantastic that frightened people believed the worst. --Arthur Herman, Joseph McCarthy: Reexamining the Life and Legacy of America's Most Hated Senator

Even when he showed his true colors as a demagogue and trickster, Stalin did so in such a crisp and weighty, confidence-inspiring manner that he bewitched not only his conversational partner but himself as well. --Milovan Djilase, Fall of the New Class: A History of Communism's Self-Destruction

Demagogue derives from Greek demagogos, "a leader of the people," from demos, "the people" + agogos, "leading, one who leads," from agein, "to lead."

raconteur \rack-on-TUR\, noun: One who excels in telling stories and anecdotes.

Korda's tone of voice is affectionate and urbane, his manner that of the accomplished raconteur who never spoils the story with a heavy-handed moral, relying for his effect on the telling anecdote and the apt phrase. --Lewis Lapham, "Adventures in the Book Trade," [2]New York Times, May 23, 1999

He has an excellent raconteur's mind, memory, vocabulary and tongue, brings in a story just at the right time, in the right manner, serves his anecdotes perfectly either piping hot or ice-cold as tragedies. --Anatole Pohorilenko and James Crump, When We Were Three

Word of the Day for Thursday February 28, 2002:

ineluctable \in-ih-LUCK-tuh-buhl\, adjective: Impossible to avoid or evade; inevitable.

... ineluctable as gravity. --Marilynne Robinson, [1]The Death of Adam

California's vision of itself as a car culture grew out of the impracticality of mass transit in reaching most of its scenic
wonders, the innate restlessness of its inhabitants and the ineluctable attraction of an open road. --"From the Land of
Private Freeways Comes Car Culture Shock," [2]New York Times, October 16, 1997

Linnaeus' classification scheme became popular not because it captured some ineluctable truth about nature. Rather, by
the botanist's own admission, the system divided species based more on intuition than science, much as an art historian
might group paintings into schools. --"Cultivating a New Tree," [3]Los Angeles Times, September 25, 1999

Ineluctable is from Latin ineluctabilis, from in-, "not" + eluctari, "to struggle out of, to get free from," from ex-, e-, "out of" +
luctari, "to struggle."

Word of the Day for Monday March 11, 2002:

nescience \NESH-uhn(t)s; NESH-ee-uhn(t)s\, noun: Lack of knowledge or awareness; ignorance.

The ancients understood that too much knowledge could actually impede human functioning -- this at a time when the encroachments on global nescience were comparatively few. --Cullen Murphy, "DNA Fatigue," [1]The Atlantic, November 1997

He fought on our behalf in the war that finally matters: against nescience, against inadvertence, against the supposition that anything is anything else. --Hugh Kenner, "On the Centenary of James Joyce," [2]New York Times, January 31, 1982

The notion has taken hold that every barometric fluctuation must demonstrate climate change. This anecdotal case for global warming is mostly nonsense, driven by nescience of a basic point, from statistics and probability, that the weather is always weird somewhere. --Gregg Easterbrook "Warming Up," [3]The New Republic, November 8, 1999

Nescience is from Latin nescire, "not to know," from ne-, "not" + scire, "to know." It is related to science. Nescient is the adjective form.

Word of the Day for Saturday March 16, 2002:

peccadillo \peck-uh-DIL-oh\, noun: A slight offense; a petty fault.

No peccadillo is too trivial: we learn that the mogul once blew his top because his laundry came back starched (" 'Fluff and fold!' he screamed"). --Eric P. Nash, "High Concept," [1]New York Times, May 10, 1998

And besides, "what do they say? 'Don't judge lest you be judged.' Everybody has their peccadilloes." -- "Tyson has a friend in his corner," [2]Irish Times, October 21, 1999

Child of a dominant mother, victim of a guilt-ridden conscience, [St. Augustine] wrote bewilderingly haunted 'Confessions,' in which infantile peccadilloes like stealing apples and adolescent fumbblings with instinctive sexuality are bewailed with all the anguish of a frustrated perfectionist. --Geoffrey Parker, "True Believers," [3]New York Times, June 29, 1997

Peccadillo comes from Spanish pecadillo, "little sin," diminutive of pecado, "sin," from Latin peccatum, from peccare, "to make a mistake, to err, to sin." It is related to impeccable, "without flaw or fault."

expatiate lek-SPAY-shee-aytl, intransitive verb: 1. To speak or write at length or in considerable detail. 2. To move about freely; to wander.

He had told her all he had been asked to tell--or all he meant to tell: at any rate he had been given abundant opportunity to expatiate upon a young man's darling subject--himself. --Henry Blake Fuller, Bertram Cope's Year

At the midday meal on fair day, a large one (meat loaf, boiled potato, broccoli), Mrs. Lucas, married to the man with the earache, expatiates on the difficulties of caring for a parakeet her daughter has unloaded upon her and which, let out of its cage for an airing, has escaped through the door suddenly opened by Mr. Lucas. --William H. Pritchard, Updike: America's Man of Letters

His relationship with his family was for many years an unhappy one, and he does not care to expatiate upon it. --Barbara La Fontaine, "Triple Threat On, Off And Off-Off Broadway," [1]New York Times, February 25, 1968

Expatiate is from Latin expatiari, "to walk or go far and wide," from ex-, "out" + spatiari, "to walk about," from spatium, "space; an open space, a place for walking in."

Word of the Day for Monday April 8, 2002:

recalcitrant \rih-KAL-sih-truhnt\, adjective: Stubbornly resistant to and defiant of authority or restraint.

If they lingered too long, Clarice hurried them along in the same annoyed way she rushed recalcitrant goats through the gate. -- Kaye Gibbons, [1]On the Occasion of My Last Afternoon

As Mr. Lincoln and his Union generals insisted on unconditional surrender, the end of slavery, and the specter of an egalitarian nation where race and class were in theory to be subordinate ideas, so recalcitrant Southerners by the summer of 1864 dug in deeper for their Armageddon to come. --Victor Davis Hanson, [2]The Soul Of Battle

This recalcitrant fellow was the only dissenter in an otherwise unanimous recommendation. --Sherwin B. Nuland, "Indoctrinology," [3]New Republic, February 19, 2001

Recalcitrant derives from Latin recalcitrare, "to kick back," from re-, "back" + calcitrare, "to strike with the heel, to kick," from calx, calc-, "the heel."

Synonyms: unruly, ungovernable, intractable, refractory, willful, headstrong, wayward, disobedient. [4]Find more at Thesaurus.com.

Word of the Day for Friday March 22, 2002:

arrogate \AIR-uh-gayt\, transitive verb: 1. To claim or seize without right or justification; to appropriate. 2. To claim on behalf of another; to ascribe.

What's certain is that another American President has arrogated to himself the prerogative of dispatching U.S. military personnel on an overseas combat mission, disregarding the constitutional mandate that only Congress may declare war. --"Imposing 'democracy' in Haiti," [1]The Progressive, November 1, 1994

A measure to abolish or radically restrict the ability of ministers to arrogate powers to themselves would be a necessary adjunct to the list of proposals on "open government/parliament". --Mike Marqusee, "Stumped for success, New Statesman & Society, January 19, 1996

The most sinister dimension of this form of 'terror' was that it became an intrinsic component of Fascist and Nazi governance, executed at the behest of, and in complete subservience to, the ruling political party of the land -- which had arrogated to itself complete, total control of the country and its people. --Bruce Hoffman, [2]Inside Terrorism

Arrogate comes from Latin adrogare, "to take to oneself, to claim," from ad-, "towards," + rogare, "to ask."

DON HENLEY AND TRAIN TO HEADLINE TIGER JAM V PRESENTED BY COCA-COLA AT MANDALAY BAY IN LAS VEGAS SATURDAY, APRIL 20th

Los Angeles, CA (March 4, 2002)-The Tiger Woods Foundation announced today that Grammy-award winning artists Don Henley and Train will perform at the Tiger Jam V benefit concert presented by Coca-Cola and hosted by Tiger Woods. The fifth annual event will take place on April 20, 2002, at 8:30 PM in the Mandalay Bay Events Center in Las Vegas, Nev. The benefit concert will once again raise and distribute funds for the Tiger Woods Foundation and children's charities based in Las Vegas and Los Angeles.

"I am very excited to have both Don Henley and Train as part of Tiger Jam V," stated Tiger Woods. "I have been a fan of Don's for a long time, and Train is a band whose sound I really love. I'm looking forward to seeing both of their performances and I know they will help make Tiger Jam V a memorable evening."

Tickets for the concert will be going on sale to the general public beginning Sunday, March 10, 2002, and can be purchased through Ticketmaster Charge-By-Phone lines at (702) 474-4000, at all Ticketmaster retail ticket centers, via www.ticketmaster.com, and at the Mandalay Bay Box Office. Individual ticket prices start at \$45. VIP events will be held before and following the concert - packages begin at \$1,500.

An ardent supporter of the Walden Woods project, which has raised over 30 million dollars to preserve Walden Pond and support the Thoreau Institute, Don Henley has had a long and successful music career. As a founding member of the Eagles, Henley won four Grammy awards, topped the album charts five times and has been inducted into the Rock and Roll Hall of Fame. Henley's first three solo efforts produced numerous hits, including "Dirty Laundry", "All She Wants to do is Dance," and "The Heart of the Matter," as well as a Grammy award for Best Rock Vocals.

"Drops Of Jupiter," the title track from Train's multi-platinum second album, recently won two trophies--Best Rock Song and Best Instrumental Arrangement Accompanying Vocalist(s)--at the 2002 Grammy Awards ceremony. The San Francisco-based Train has earned a reputation as one of the hottest live bands in the country having performed hundreds of gigs--including slots on the Matchbox Twenty tour and high-profile television performances on "The Late Show with David Letterman," "The Tonight Show with Jay Leno," the 2002 Grammys and the 2002 Winter Olympics--since the release of the group's self-titled debut album in February 1998. Driven in part by the band's breakthrough single, the Top Ten hit "Meet Virginia," the band's self-titled first album was certified platinum in March 2000.

Proceeds from Tiger Jam V will be used to support the many programs funded throughout the year by the Tiger Woods Foundation. Charities that received funding from Tiger Jam IV include Child Haven, Center for Independent Living, Greater Las Vegas Inner City Games, Las Vegas Chamber of Commerce Foundation, Southern Nevada Inner City Youth Golf Association, Las Vegas Founders' Club Golf Foundation, Children of the Night, Starlight Children's Foundation, GRAMMY in the Schools and VH1 Save the Music Foundation.

Established in 1996 by Tiger Woods and his father Earl, the Tiger Woods Foundation empowers young people to reach their highest potential by initiating and supporting community-based programs that promote the health, education and welfare of all of America's children. Through junior golf clinics, motivational speeches, educational programs, the support of local heroes and benevolent giving, the Foundation has interacted with over 85,000 kids across America.

The Coca-Cola Company is the official community sponsor and beverage sponsor of the Tiger Woods Foundation, and the title sponsor of two major annual fundraising activities- the Tiger Jam benefit concert, and the series of Coca-Cola/Tiger Woods Foundation Junior Golf Clinics.

The four-star Mandalay Bay Resort & Casino celebrates its third anniversary this Spring, continuing its tradition of elegance and excitement as one of the top resorts on the Las Vegas Strip. Well known for its diverse array of top entertainment offerings, the Mandalay Bay Events Center regularly plays host to a wide range of events, including concerts by opera sensations the Three Tenors and Andrea Bocelli, popular music stars Ricky Martin and Gloria Estefan, and has become the premiere venue of choice for world championship boxing events. Tiger Jam V on April 20th marks the third time Mandalay Bay plays host to Tiger Jam.
