Due to the level of interest in Kosciusko and Holmesville capacity, Gulf South will be holding an Open Season for FT capacity, pursuant to section 7.4 of the Gulf South Tariff. The capacity becomes available April 1, 2002, when the existing contracts expire. Gulf South is selling the capacity for a term of one year, expiring March 31, 2003. The capacity available for sale is:

Agua Dulce (8075) to Kosciusko (2471) 43,000 Dth/day Agua Dulce (8075) to Holmesville (2690) 32,500 Dth/day Carthage (664) to Kosciusko (2471) 70,000 Dth/day Venice (464) to Kosciusko (2471) 20,000 Dth/day Mobile Bay (15912) to Kosciusko (2471) 20,000 Dth/day Bistineau (10402) to Kosciusko (2471) 2,000 Dth/day Carthage (664) to Holmesville (2690) 5,000 Dth/day

The above capacity represents the capacity that is currently under contract on a primary, firm basis. The Open Season will be held on Tuesday, January 29th, at 2:00 P.M. CCT. The auction will be held on Gulf South's web site. Gulf South will post the minimum acceptable rate and supplemental rights the day before the auction commences. Each package will be auctioned separately. Given the bidding history on capacity offered for auction Gulf South is proposing to auction each package for an initial period of 15 minutes, with extensions if bids are received in the last 60 seconds rather than the procedures set forth in Section 7.4. The extensions will continue until the bidding stops. Gulf South shall post on its Internet web site the winning bid(s) and the winning bidder(s) within forty-eight hours after the completion of the auction. The interactive auction will eliminate the requirement of section 7.4 to post the capacity for a bid period of 5 business days. Customers' bids shall be for demand fees only.

Gulf South will entertain negotiations for multiple-year FT deals on the aforementioned capacity through Friday, January 25, 2002, pursuant to Gulf South's current tariff provisions. Any multiple-year contracts for the above capacity will be communicated on Monday, January 28, 2002 via the Gulf South web site, and will be subject to the posting requirements of section 7.4 of the Gulf South tariff.

If you need information on how to participate in the Gulf South auction, please contact your account manager.

If you have questions about the capacity to be auctioned, please contact Dwight Helms at 713-544-7603 or Patrick Howard at 713-544-5402.

Hi!

Sorry it took so long to respond but I took a couple of days off. Tuesday is fine for dinner - looking forward to it. It looks like UBS Warburg is our new owner. We do not have any information yet from our management so I can't tell you any more about the structure of the company. Hopefully I'll know more by Tuesday. Let me know what time on Tuesday. Maybe we could eat somewhere closer to the loop since we only work until around 3:00 right now and you are out that way and Cindy has to go that way.

Hey Andy,

I talked to Cindy and next week Tuesday sounds good to her. How about Ruggles again? Let me know.

This is worth reading!!!!

Hey Everybody,

Place the contents of your wallet on a photocopy machine and copy both sides of each license, credit card, etc. You will know what you had in your wallet and all of the account numbers and phone numbers to call and cancel in case it gets lost or worse yet, stolen. Keep the photocopy in a safe place.

I pass this along, for your information, in case you hadn't thought of it. We've all heard horror stories about fraud that's committed us in your name, address, SS#, credit, etc. Unfortunately (the author of this piece who happens to be an attorney) had firsthand knowledge, because my wallet was stolen last month and within a week the thief(s) ordered an expensive monthly cell phone package, applied for a VISA credit card, had a credit line approved to buy a Gateway computer, received a PIN number from DMV to change my driving record information online, and more.

But here's some critical information to limit the damage in case this happens to you or someone you know. As everyone always advises, cancel your credit cards immediately, but the key is having the toll free numbers and your card numbers

handy so you know whom to call. Keep those

where you can find the easily. File a police report immediately in the jurisdiction where it was stolen, this proves to credit providers you were diligent, and is a first step toward an investigation (if there ever is one).

But here's what is perhaps most important: (I never ever thought to do this). Call the three national credit reporting organizations immediately to place a fraud alert on your name and SS#. I had never heard of doing that until advised by a bank that called to tell me an application for credit was made over the Internet in my name. The alert means any company that checks your credit knows your information was stolen and they have to contact you by phone to authorize new credit. By

the time I was advised to do this almost 2 weeks after the theft, all the damage had been done. There are records of all the credit checks initiated by the thieves' purchases, none of which I knew about before placing the alert. Since then, no additional damage has been done, and the thieves threw my wallet away this weekend (someone turned it in). It seems to have stopped them in their tracks.

The numbers are: Equifax: 1-800-525-6285 Experian (formerly TRW): 1-888-397-3742 Trans Union: 1-800-680-7289 Social Security Administration (fraud line): 1-800-269-0271

Do think about passing this information along. It could really help someone.
