Kathy,

I discussed the \$35K variance with Brian yesterday, and the adjustment will be made on the last day of March. That will ensure that we tie to your number for the rest of the month. Then we'll do a top level adjustment on the last day P&L to clear the variance from last month. I've talked with Brad Jones (the person preparing the NGP&L) and Brian Gillis is supposed to remind him at the end of the month.

I start my new job in Chicago next week. Bilal Bajwa will assume my responsibilities. Here are everyone's numbers.

Bilal Bajwa x713-853-3409

P&L- Bradley Jones x713-345-8960

Positions- Binh Pham x713-853-5791

Thanks, Robin
