Here's a neat opportunity to share some of your club's great Seminole spirit!

Mike Palios is in charge of the parade this year, and together, Mike and I are jointly extending this special invitation to ALL clubs to please join us for the Sesquicentennial parade of Nov. 9th!

Please let me know if you are coming, for I might be able to help with decorating your cars, and will ALSO want to hook up with each during Saturday's pregame reception behind Garnet and Gold on Pensacola Street, AFTER THE HOMECOMING breakfast Saturday AM.

We are strongly suggesting that if you ARE coming, bring your club banner, and we can use bungee cords to attach it to the front of your cars!!!!

If you or ANY of your club membership is coming in for Homecoming, sincerely hope that your arrival will be in time to join the parade.

Thanks!

Best,

Terry

Club Presidents:

Here is your chance to get the entire FSU and Tallahassee Community to know who you and your Club is.

This yesar, on Friday, November 9, 2001 at 1:50PM, the Sesquicentennial Homecoming Parade will start, heading east on Call Street, turning right (south) at Monroe Street, heading south to College Avenue and making the final turn right, heading west, and ending at Westcott Fountain. Line Up for the Parade begins at 12 Noon at the Fine Arts building parking lot.

I have attached the Parade Confirmation form, if you are interested. You will be responsible to get your own car (I suggest getting a convertible if possible!) and bring your Club banners so everyone knows who you are! If you don't have a Club banner, let me know immediately and we can make a sign to put on the side of the cars.

Please contact me if you have any questions at all, and I hope to see many of you that day!

=09 =09 Dear Joe, Members of Congress return from their Thanksgiving break on Tuesday as debate resumes in Washington. A bill that would renew the Price Anderson Act is being brought to the floor of the House of Representatives. The bill limits the liability for the nuclear industry in the event of a major accident. Significant revisions were made to the legislation in the wake of the September 11 attacks, with the addition of amendments that would strengthen the security of America's nuclear power plants. The Washington bureau will also have more reaction to the FERC's new policy for determining whether a company has market power in the electricity industry. Join us for these reports from the Washington bureau on Tuesday. From Houston on Tuesday, we'll bring you an update on Enron's continuing financial situation. UBS PaineWebber's Robert Young is stopping by the Houston bureau to discuss his perspective on the negotiations between Enron and Dynegy. He'll join us during the 10:00 a.m. ET newscast tomorrow. The former Energy Advisor to the Prime Minister of Iran is speaking in Houston on Tuesday. Dr. Fereidun Fesharaki will be talking to the Asia Society about the Middle East, oil and economics. The Houston bureau will bring us a preview. Climate Solutions Co-Director Rhys Roth will be live from Olympia, Washington during the 3:00 p.m. ET newscast on Tuesday. West Coast Bureau Correspondent Kym McNicholas talks with Roth about the future of clean energy in the Northwest and how renewables will play a major role as a future energy source in the region. We'll also have an update on the California Department of Water Resources' efforts to pay generators for market transactions between January and July of this year. Join us for reports from the West Coast bureau. ENL is hitting the road later this week. Houston Correspondent Kim Benestante will report live from Anchorage, Alaska. Kim is attending a conference titled: Alaska Resources 2002: Can Alaska Compete? We'll have live coverage from the conference starting on Thursday. ENL's Gale Smith will attend the Arctic Gas Symposium in Houston on Thursday. The symposium will address supplying the North American market and the latest pipeline route update, among other topics. Jonda,

I understand Mr. Fullenweider has meeting but after what Tonya put me and my family through last week we would like some answers and action. I have cut off all communication with her and now she is sending me emails (trying to act like nothing happened) I'm sure her lawyer is telling her to do that so she can say she has been keeping me informed of my son. (I will forward them to you) I am very upset and I'm sure you can understand why, I really think there is something really wrong (I just have that feeling or she is mentally unstable) How can she be aloud to keep me from my son?

Anyway, If I can't meet with Mr. Fullenwerider can you and I meet to go over the discovery responses and does this mean were going to a jury trial? Why are they aloud to ask these questions and are we doing the something to Tonya? I don't understand....

I can't get out of leaving on Thursday, this is a business meeting for work (not pleasure) I can come Today, Tuesday and Wednesday anytime after 3:30. I hope that helps

Thanks again,

-Joe

Dear Joe,

I'm sorry but I have Mr. Fullenweider scheduled in back-to-back meetings, hearings and depositions this week. I might be able to arrange a short telephone conference today or tomorrow. Otherwise, his deposition schedule may clear up on Wednesday and Thursday depending on how the Judge rules at a hearing tomorrow morning. If the depositions get reset by the Court, I could fit you in on Wednesday or Thursday.

I absolutely must visit with you this week about your discovery responses because I will be out of town next week and they are due next Friday.

Tomorrow is the big day! The Astros are ready to beat the Milwaukee Brewers just for us!! The game starts at 4:05 p.m. but our event starts two hours earlier so that you may watch batting practice, visit the Astros store, Ruggles or hang out in the Union Station Clubhouse and Rooftop. Please meet me at the elevators beside the Union Station Ruggles. As you enter Union Station, the Astros store will

be to the right and Ruggles is to the left. To the left of Ruggles is a set of elevators that will take us to the roof for food, drinks and great camaraderie! I will be sitting by the elevators with your nametag, badge and ticket. These were not handed out early just in case there were last-minute cancellations that someone else could step into the spot. As many of you know, we recently changed Internet Account Access providers and have had problems with the service including slow access, or no access at times. We realize many of you depend on QuickLink to handle your transactions daily and sincerely apologize for any inconvenience this has caused.

It appears the problems are related to the interface between our home banking provider and our host processor. We assure you that we are on top of the situation and are working diligently to see that the New QuickLink is fully operational as soon as possible.

Although we are working to resolve this issue quickly, we want you to be able to take care of any financial transactions right away if needed. Here are a couple of other options:

- 1) Call QuickTeller, our free Automated Phone Service, which is available 24-hours a day. QuickTeller allows you to make transfers, verify cleared checks and posted deposits, check account history and more. QuickTeller can be accessed at 713-853-1466, or 800-321-1396. If you need your QuickTeller P.I.N., please contact us at 713-853-6242, or 800-241-5871.
- 2) Call us at 713-853-6242, or 800-241-5871, and we will be glad to provide account information over the phone.
- 3) Or, send your transaction request to us via E-mail from either our Intranet Site, or Internet Site at efcu@enron.com.

We appreciate your understanding and patience, and assure you QuickLink will be fully operational as soon as possible.

Good Afternoon,

Could you please forward my vacation schedule to Dana Davis. I will be taking December 17th through January 1st off from work. Bryce Schneider will be covering my trading responsibilities while I am on vacation. Also, I would like to rollover my additional week into the new company, leaving me with 40 hrs in which I will give up this year. If you have any questions please let me know.

Thank you,
