UGI Capacity Release Auction - Total of 7153 DTH/Day

Sender	mzampino@enporion.com
Recipients	['tcox@enporion.com', 'zampino@enron.com', 'mzampino@enporion.com', 'cox@enron.com']
File	townsend-j/inbox/111.

Good Morning,

Enporion would like to invite you to participate in today's event representing offers for capacity release from UGI.

Please note; there will two separate lots, or auctions, for 30 minutes from 2:30-3:00 PM ET.

For UGI, you will be bidding on the following: ID 2866 - UGI Capacity Release Offer # 1: 5,072 DTH/Day November 2001 - March 2002, Transco STA 30 - STA 65, Zones 1 - 3 ID 2867 - UGI Capacity Release Offer # 1: 2,081 DTH/Day November 2001 - March 2002, Transco STA 30 - STA 65, Zones 1 - 3

After the auctions close, it is imperative that you please stay logged into the system for at least 5-10 minutes. The auction may open again because of extensions.

Should you need any assistance, please feel free to reach us through our toll free telephone support line at 1-866-2PROCURE (1-866-277-6287) or 813-864-8134 or via email at Auctions@Enporion.com

Thank you,

Enporion Auctions Team

You can sign in and view the auctions right now by visiting <https://auctions.enporion.com>

Summary of Entitlements - Revised (Disregard Previous E-mail)

Sender	david.jones@enron.com
Recipients	['kelli.little@enron.com', 'judy.townsend@enron.com', 'ruth.concannon@enron.com', 'fletciv@nu.com']
File	townsend-j/inbox/103.

Jay, this spreadsheet has a summary of the exit and operational entitlements that TETCO has provided Enron that Yankee granted. Assuming that you do not wish to modify the two smaller release offers (#19996 and #19997), I have provided you exactly what needs to be done to modify the larger release offer (#19998).

It is important that the releases grant us the minimal exit entitlements by production zone to M1 as well as M1 to M3 /M1 to M2 as noted in "Exhibit A". I will be working in NY on Monday. However, Judy Townsend and Ruth Concannon are familiar with this deal structure. Judy is most familiar with the current issues. I will be visiting with Ruth early on Monday. In the meantime, Judy can answer any questions. Judy tends to be busy trading until 11:00 AM CST. She may not be able to spend as much time with you in the morning. However, Ruth will be able to assist if Judy is busy.

I will give you a call from the road around 9:00 AM.

We will get this done together...Thanks!!!

FW: ClickAtHome Order Verification

Sender	judy.townsend@enron.com
Recipients	['jtownse@yahoo.com']
File	townsend-j/sent_items/22.

-----Original Message-----

From: AvenueB2E <enron@avenueb2e.com>@ENRON Sent: Tuesday, November 13, 2001 9:03 AM To: Townsend, Judy Subject: ClickAtHome Order Verification

The ClickAtHome Database shows that you have placed an order with Dell Computer with an order number of 693288078. Please read below for instructions:

1. If this is correct, enjoy your computer! You can check your order status by clicking here:
<http://wwwapp.us.dell.com/us/en/ordstat/index.asp>

** For questions about your order/changes/problems, call 1-866-220-3355 **

2. If you did NOT place an order with Dell for the ClickAtHome program, please email enron@avenueb2e.com or call 713-895-9001 to report the incorrect order on your behalf.

3. DELL OFFERS A 30 DAY NO QUESTIONS ASKED RETURN POLICY. THE 30 DAYS BEGINS FROM THE DAY YOUR PC IS SHIPPED FROM DELL. YOU WILL NOT BE ABLE TO RETURN YOUR PC AFTER THE 30 DAY PERIOD HAS PASSED. IF FOR ANY REASON, YOU BELIEVE YOU MAY NEED TO RETURN YOUR PC (INCLUDE FOR REPAIR OR SERVICE ISSUES), YOU MUST CALL DELL AT 1-866-220-3355 BEFORE THE END OF THE 30 DAY PERIOD AND RECEIVE A RETURN AUTHORIZATION NUMBER. YOU MUST HAVE THIS NUMBER BEFORE THE END OF THE 30 DAYS.

Thank you!

ClickAtHome Team!

Transco - Offers For Relinquishment Of Firm Capacity

Sender	wgphou.customernotices@williams.com
Recipients	[]
File	townsend-j/all_documents/16.

Media Inquiries: Angela Mendoza (713) 215-4098 Other Inquiries: Transit Help Line Outside 713 Area Code: 1-800-248-0404 Inside 713 Area Code: 215-3371 May 15, 2001

TO: Existing Firm Transportation Shippers

RE: Offers For Permanent Relinquishment of Firm Capacity in Conjunction with the Leidy East Expansion Project

Transcontinental Gas Pipe Line ("Transco") solicits offers for the permanent relinquishment of firm transportation capacity on the Transco system. Shippers holding capacity with receipts at Leidy, PA and deliveries to Princeton Junction or mainline points in Zone 6 may offer that capacity for relinquishment, subject to the conditions outlined below.

Transco intends to combine such relinquished capacity with newly constructed capacity in order to render service in Transco's Leidy East Expansion Project ("Leidy East"). In accordance with the Commission's order of April 26, 2001 denying Transco's request for clarification of the MarketLink Order, the Leidy East project will provide service to shippers that had executed contracts that were filed with the Commission on April 13, 2001, as part of Phase 3 of the MarketLink project. The capacity of the Leidy East project will be 130,000 Dts/d. In order to meet the proposed in- service date of November 1, 2002, Transco plans to file a certificate application with the Commission for Leidy East by the end of June.

Offers for capacity relinquishment may be made by shippers with existing transportation services as defined above and provided under Part 284(G) of the FERC's regulations.

Valid offers must meet the following criteria:

1. The capacity offered must result in a reduction of the facilities otherwise required to serve the subscribing shippers in Leidy East;

2. Inclusion of relinquished capacity in the project must result in a lower cost of service for the project than if additional facilities were constructed;
3. The remaining contract term for the relinquished capacity must not exceed the primary contract term of service for Leidy East;
4. Offers for permanent relinquishment will not be accepted from shippers who have contracted for service under Leidy East;
5. Offers must identify the specific contract(s) and delivery point(s) in each contract at which delivery point entitlements (DPEs) will be reduced as a result of the relinquishment of firm capacity to those points; and
6. Offers must be unconditional, binding and irrevocable.

Such offers must be received by Transco no later than 5:00 PM CST on Monday, May 21, 2001. After receipt of offers to relinquish capacity, Transco will make any modifications necessary to the design of the facilities to be constructed to render service in Leidy East.

Parties that submit offers to relinquish capacity will be notified as to whether the offer complied with the specifications set forth herein and whether the capacity will be accepted and utilized to render service in Leidy East. If more capacity is offered than is needed in Leidy East, preference will be given to those offers which reduce the cost of Leidy East to the greatest degree. In the event of a tie, preference will next be given to those offers which have the shortest remaining term for the capacity relinquished.

Shippers with relinquished capacity that is included in Leidy East will retain all rights and responsibilities set forth in their Service Agreement(s), Rate Schedule FT and the General Terms and Conditions of Transco's FERC Gas Tariff until Leidy East firm transportation service commences through the relinquished capacity. The Leidy East firm transportation service is expected to commence on November 1, 2002. The relinquishing shipper's service agreement(s) will be terminated or reduced effective on the actual in service date. Transco's acceptance of relinquished capacity is and will be subject to the following:

1. Execution and delivery by the shipper to Transco of an agreement to permanently relinquish such firm transportation capacity (such agreement to be provided by Transco);
2. Execution and delivery of an amendment to the shipper's firm transportation contract reflecting any modifications resulting from the relinquishment of a portion of the service related to such capacity, if applicable;
3. Receipt of a FERC certificate authorizing the proposed Leidy East facilities and service (including approval of this capacity relinquishment) in a form acceptable to Transco in its sole opinion.

In the event that Leidy East does not go forward for any reason, including, without limitation, the FERC authorizations being granted in a form unacceptable to Transco, the capacity relinquishment shall not be effectuated and all related agreements shall be null and void.

Parties desiring more information regarding this announcement should contact Nancy Hargrove at 713-215-2926.

How are you?

Sender	laurie.l.johnson@williams.com
Recipients	['judy.townsend@enron.com']
File	townsend-j/inbox/187.

Hi Judy, How are you? I sent Ingrid an email and she told me that you are still at Enron. That's good. I tried to call you at work, but the girl that answered the phone said that you were on vacation today. How are the kids and Rob? I think about you all of the time. Ingrid told me that she told you that I got married. It isn't Tod, it is James Johnson that I dated in high school. We could have saved each other a lot of heart ache and just stayed together. He is really sweet. He has 3 boys, so now there are 4 boys in my house. I am real outnumbered! But, it's fun. Are you still working part-time or full-time? There is so much to talk about, we need to get together for lunch or something. Maybe we could meet somewhere one day, let me know. My phone numbers are Home: 281-807-3186 and work 713-215-4473. And now, you have my email address. Talk to you soon, Laurie

HPL Meter

Sender	judy.townsend@enron.com
Recipients	['james.mckay@enron.com']
File	townsend-j/sent/30.

----- Forwarded by Judy Townsend/HOU/ECT on 10/20/2000 11:01

AM -----

lamoss@duke-energy.com on 10/18/2000 02:05:54 PM To: judy.townsend@enron.com cc: Subject: HPL Meter

Here is the message I received from my technical folks. (below in red). As you can see a lot of work is involved. Let me know how much you would plan to nominate at this point, etc. And can they committ to a certain, volume, etc. Also, have they talked to HPL about taking gas at this point.

After visiting the site (M&R 71886/76886), I found the following work that would need to be done before custody transfer measurement could be performed : (The site has two 12" meter runs with valve switching (bidirectional flow) and run switching - and has not flow gas in over 10 years)

1. All valves will need to be inspected & overhauled A. Run switching valve - major overhaul (needs to be sent off for this work) B. Control valves - inspected & overhauled (needs to be sent off for this work) C. Small regulators overhauled 2. Both meter tubes pulled and inspected A. Sr. fitting needs to be overhauled B. Tubes will need to be honed (needs to be sent off to have fitting overhauled and tubes honed) 3. All transmitter need to be replaced A. Differential - 2 B. Temperature - 2 (1 additional from original setup) C. Pressure - 4 D. Direct mount manifolds - 2 E. UPS system 4. RTU boards need to be furnished A. Mother board B. STI REM C. Main terminal board D. Serial IO LEM E. Analog Output board 5. New batteries (4 @ \$ 160) 6. Two sets of orifice plates (In .50" increments through Beta range)

It would take at least 1.5 months to re-work the station controls and associated valves, meter runs, and EGM. If you need more information please let me know.

FW: Employee Assistance Program - Workshops Scheduled

Sender	chris.germany@enron.com
Recipients	['scott.goodell@enron.com', 'judy.townsend@enron.com']
File	townsend-j/deleted_items/17.

I wonder if you guys can attend these sessions as UBS?

-----Original Message-----

From: Enron General Announcements Sent: Tuesday, January 29, 2002 4:14 PM To: DL-GA-all_domestic;
DL-GA-all_NETCO Subject: Employee Assistance Program - Workshops Scheduled

Enron employees may find the current circumstances stressful. We want to remind you that Enron's Employee Assistance
Program (EAP) is still available and currently offering services to assist you and your family.

Group Discussions Beginning this week, Enron's EAP provider, Innovative Resources Group, will be facilitating group discussions for employees who are interested in attending. These sessions are designed to address the challenges employees may be facing and to suggest ways to minimize the impact of stress on employees and their families. These sessions will be held on Wednesday, January 30 and Thursday, January 31 at the following times in EB32C2:

9:00 am -- 10:00 am 11:00 am -- 12:00 pm 1:30 pm -- 2:30 pm 3:30 pm -- 4:30 pm

No advance registration is necessary -- simply come to EB32C2 at the scheduled day and time that is most convenient for you.

Onsite Confidential Counseling / 24 Hour Hotline EAP Counselors are available for individual, confidential appointments onsite in the Enron Building or at a variety of neighborhood locations. Counselors are also available via telephone 24 hours a day, seven days a week for Enron employees in all locations. The EAP counseling service is provided at no cost to employees and their family members. To schedule an appointment or speak with a counselor, please call the onsite office at 713-853-6057 or the 24-hour number at 1-800-345-1391.

Informational Brochures Additional information about EAP programs will be available in the Body Shop, the Health Center on the third floor of Enron Center North and soon in the common kitchen areas on all floors of the Enron Buildings.

Websites The following links may also provide helpful information: www.stress.org -- This is the website of the American Institute of Stress. The site provides general information on stress management and links to other related sites. www.wellnessjunction.com -- This website has been developed by Health Resources Publishing and provides targeted information on trends in wellness and health promotion.
